Its purpose is to receive for safe keeping, in burglar proof safes, in an absolutely fire-proof building, valuables of every suitable description.

All deposits of cash boxes or trunks, contents unknown to the Company, will be received under depositor's "cordination" lock and seal, and at a valuation; the risk of bination, but it is a valuation; the risk of bination, but it is a valuation; the risk of bination, but it is a valuation; the risk of bination, and cash of the package, seal when desired by depositor, the company will schedule the contents and assume the risk of each item, each at a separate valuation, charging a percentage compensation.

The company will also rent to others small burglar proof Safes, say, to contain a single trunk or cash box, or of any size desired; the Safe to be locked by the runor, the "combination" being thus known only to himself. These Safes will be in the company's building, and for their safety the company will be responsible.

Among the sources of business are the "cash boxes" or trunks of retired capitalists, merchants, bankers, brokers, mechanics, and other business or professional men, as well as of families, widows and single women; and of a large class of thrifty men among the masses, whose surroundings are unfavorable to the safekeeping of valuables. A place for reference to the contents of trunks will be provided.

Family plate will be received for as fekeeping during the owner's absence from the city.

The company offers a place of absolute security for the deposit of valuable Papers, all Evidences of Property, and any Naluables, to Lawyers and their Clients; Officers of the army and navy; Seafaring men, and others much from home; Holders of Bullion and Specie: Border State Banks, during the war; Residents of this city or other places going abroad or to Cal-forna, or temporarily from home: Foreigners, or others transciently in the city.
